### FARMVILLE.

We breathe freer now that the hanging scene has been enacted. It isn't often that Prince Edward has been called upon to witness such a tragedy, and may we be spared a repetition for the years to come. Sheriff Dickinson was wise enough to have the unfortunate event over at an early hour of the morning before the town was astir, and in advance of the gathering of the maudlin crowd of curiosity seekers.

We are all rejoicing at the forward movement on the part of old Hampden-Sidney College in the establishing of a chair for the training of which has already given this venerable institution national reputation. That the very best of writers are in demand no thoughtful man will gainsay, and if they can be turned out from our schools will be great gain. I have no doubts as to the fashioning of writers by the plastic hands of college professors but will watch the experiment with keenest interest. That boy of the farm learns to ride a colt by practice, and so in my opinion will the acceptable writer be made.

Many of the faculty of our Normal have been offered work in summer schools, but most of them have declined the honor, preferring to rest and so make ready for the regular work of another session.

Farmville is making ready for the Summer Normal to be held here, and teachers and students may be assured of most comfortable homes while enjoying the advantages of high training.

The straw hat has been unusually slow in coming to the front this season. The fact is, spring has had a strenuous time in getting winter out of her lap anyhow.

The express business at this point has increased enormously in the re cent past. It is no longer a simple attachment of the Norfolk & Western depot agency but a separate and distinct branch of business, requiring accurate and active representatives to keep it going. Mr. H. H. Scott is in charge, and he is another Farmville boy who has received his business training under Farmville influences. Judge and Mrs. A. D. Watkins have returned from Atlanta, where they went to attend the marriage of their nephew, Mr. F. N. Watkins. The young man bears the name of his grandfather, the late Judge F. N. Watkins, one of the most useful as well as the most saintly citizens who ever lived in this community.

Our dispensary doesn't dispense any fragrant juleps, but the bottle business is active. Neither Judge Mann nor any other man has yet learned just how best to deal with the liquor business. King Alcohol has not yet been shorn of his power. Cruel but still conqueror.

When free from mud our town water is "fine"—for bathing purposes. Few people drink it, though I know of one citizen who prefers it to any other drinking water.

The news of the death of Mr. Reed Mellwaine at his home in Knoxville, Tenn., was a shock as well as great grief to his friends in this section. He was a son of Rev. Dr. McIlwaine, and a lawyer of ability and prominence in the city of his adoption. He leaves a widow and a number of young children.

Mrs. H. H. Panlette has been critically ill, but is now much better. Her mother and brother were called to her bedside from Washington.

Mr. H. A. Stokes, president of the Planters' Bank, has been on the sick list.

Our people are expecting a rare pleasure on next Sunday when the Rev. Dr. Battle, of North Carolina, preaches the baccalaureate sermon before the graduating class of the Normal.

Rev. Dr. Kirk, of Baltimore, who is said to be an orator of the first rank, will render a like service on the following Sunday for the Hampden-Sidney boys.

Our street sprinkler is a friend indeed, and our mule and cart are of the pro bono publico order.

Our electric lights are excellent but we need more of them. So far as we have gone with them our sidewalks are first class, but there is large room for more of them.

I haven't seen a man yet who was premature in discarding his flannel who didn't catch cold. Girls are proof against all changes.

Our merchants look as though they had enjoyed a satisfactory spring trade.

Our bank officials seem to be unmoved at the opposition springing up at well nigh every cross road. There is legitimate demand for every dollar to be had and the banks bring them from their hiding places.

Saturday is still the red letter day among Farmville's business days of the week. Our streets and stores are always crowded and with active buyers.

The silver service which was presented to Hon. J. J. Owen by the faculty and students of the Normal was a gem. This faithful representative of this county in the past three legislatures did much towards securing the very liberal appropriations which were made to the school, and this gift is testimonial worthily won and richly deserved.

**Best for Women and Children.**

On account of its mild action and pleasant taste Orino Laxative Fruit Syrup is especially recommended for women and children. It does not nauseate or gripe like pills and ordinary cathartics. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating them. Remember the name Orino and refuse substitutes.

There are Republicans who are about ready to admit that the President may be wrong occasionally. Heretofore temerity has gone no further than to hint that he has been misunderstood.

**Was Wasting Away.**

"I had been troubled with kidney disease for the last five years," writes Robert B. Watts, of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles cured me and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being over heated. Attend to the kidneys at once by using Foley's Kidney Cure.

Can it be that anyone in Washington, excited by the rate bill, has discovered what "rail mad" spells backwards?

It will never be easy for the government to take over the function of commerce, where commerce has already taken over the functions of the government.

According to a Chicago physician, strawberries cause insanity. We have observed the craze for them.

**War Again.st Consumption.**

All nations are endeavoring to check the ravages of consumption, the "white plague" that claims s many victims each year. Foley' Honey and Tar cures coughs and colds perfectly and you are in no danger of consumption. Do not risk your health by taking some unknown preparation when Foley' Honey and Tar is safe and certain in results. Ask for Foley's Honey and Tar and insist upon having it.

San Francisco is now able to mix a little salt meat and fried egg with its store of universal sympathy.

**Over-Work Weakens Your Kidneys.**

**Unhealthy Kidneys Make Impure Blood.**

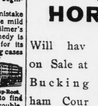
The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pain, aches and rheumatism come from accumulation of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N.Y.



Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Threats are freely made that unless the negro, Wiltz Ellis, is convicted he will be lynched, and, strange to say, the whites and negroes agree in making these threats. The whites are angered that he killed a white man, and the negroes because he intended to kill one of their number. Rube Jones, the intended victim, is very serious over the affair, and seems to anticipate trouble at the hands of the Ellis negroes. It is quite a surprise that the friends of Mr. Childress, who was so ruthlessly shot down, should take the view they do of the killing. Rube Jones and Wiltz Ellis had been great friends at one time when they both lived on the old Booker gold mine property, and they were both thrifty, well-to do men. Sixty-five shot lodged in or took effect on the body of Mr. Childress, and he died in a few moments, calling on his companion for aid. The body was kept out of the ground from Saturday about 10:30 until Monday evening, and then was buried in a drenching rain. The burial was put off to allow his children, who live in West Virginia, to get here. Only one came, Mr. Wm. Childress, Jr. He did not arrive until the burial was over.

Miss Annie Lyle Irving, of "The Outlook," has gone to Richmond, where, it is thought, she will have to undergo an operation for appendicitis.

The session of the High school closed June 1st, and the pupils had a fine picnic dinner and lots of candy and ice-cream, a whole bucket of French candy and a big bunch of bananas. Mr. Blankinship and Mrs. Bondurant deserve credit for the good work they have done this session. Next year they will have another fine teacher and more room in which to work. Patrons who have never sent their children here before have recognized the fact of the superior advantages to be had at this school, and are sending their children at a sacrifice to themselves. It is estimated that the six-year course at Farmville will cost not less than $1,000 for a pupil, and three years of this time may be profitably spent in this High school.

Prof. Jarman said with emphasis that many girls were sent to Farmville before they were prepared to take any but the lower grades, and that it would be so much better to maintain these High schools and prepare girls to enter college.

Miss Mabel Swoope has been ill with typhoid fever in Mississippi, and Miss Sallie Swoope, who has just graduated as a trained nurse, went south to attend her sister. Miss Mabel was better when last heard from.

There is a negro man in jail who made an attempt to cut Mr. Forest Guthrie with a knife. It seems this negro was using improper language in the presence of Mr. Guthrie's child, and being remonstrated with by the father he became insulting, so much so that Mr. Guthrie had to bring force to bear on him, when he made an attempt to cut Mr. Guthrie's throat.

There is also a negro woman here in jail charged with the murder of her infant, which was found in a field by the buzzards. She claims that the child died a natural death

He took his text from St. Matthew, 16:18: "And I say unto thee that thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it." He gave us a very instructive and interesting sermon on the above. After services he took up a subscription to get an organ for the church, which will be forthcoming very soon.

**Confederate Soldiers.**

Editor Times:

Major Hunter wrote me requesting I get a complete roster of Co. K. Mr. Wm. Ellis says if I'll get it he will have it put on our county record. Geo. Patterson and Tom Garnett are helping, but it's all from memory. I have a book and will take pleasure in recording the name of any soldier who went from Buckingham in any company or did any service. Mr. John R. Ayres sent me a list of names; he did not give me the company or regiment:

John R. Seay, enlisted April, '61, killed July 2d, '63, at Gettysburg; Wm B Seay, enlisted April, '61, killed July 2d, '63, at Gettysburg; Wm Seay, enlisted April, '61, killed July 2d, '63, at Gettysburg; Josiah Seay, enlisted April, '61, died June, '61; J R Ayres, enlisted April, '61; J P Agee, enlisted April, '61, wounded July 2d; Lewis Ayres, enlisted April, '61, killed May 11, '64; Allen Brown, enlisted April, '61, killed May 11, '64; Thomas Harris, enlisted April, '61, killed May 11, '64; Wm Oliver, wounded; Thos Jimmerson, James Newman, Thos W Trent, John Shepard, Thos Christian, Wm Jimmerson, Wm Harris.

Just drop me a postal, give your name, date of enlistment, transfer, discharge, wounded, or some friend killed, company and regiment. If the boys gave you a "nickname" give me that. We had three Wm. Davis, one we called "Shavelings." I don't remember how he got his name, but he is still living and has done more hard work since the war than one out of a hundred. Sam Dunevant said "Shavelings" rode more horses to death than any man in the company. After the war he got a wooden one and got that burned up. Meet "Shavelings" and have a five minutes talk on the war, and if he don't make you laugh the laugh is not in you. When we old fellows get to talking of war we don't know when to stop. I must ask about Bob Eagle. I have not seen him since the war. Bob was a prime fellow to have in the mess. I drew rations, he attended to our horses, mine and his, did my part of the cooking, and was a good forager for all the mess. I never did ask him who he bought that 100 pound pig from when in Madison. Bob Moore did the cleaning. I don't remember the cook that night, but our mess surely slept with full stomachs.

**INTERESTING STORIES ABOUT HOME FOLKS**

**Our Correspondents Relate the News of the County.**

**Hebron.**

We imagine your readers are anxious to hear from this important point, as there has again been quite a long time of silence. The apology this time, however, is not "busy here or busy there," but the indisposition of your correspondent. We have had right much sickness around us and some serious cases, but most of them are either well or improving. The skill of our new Dr. Whitehead has been plainly seen, and we realize more fully than ever the blessing of a good doctor.

The gloom caused by the protracted drouth has been dispelled by the refreshing rains of the past few days.

The farmers are busy plaiting the unprofitable weed and looking bright and hopeful. Surely they are the most hopeful and indefatigable people on earth. They realize so little from the sales, yet they take heart and go on as if the blessing of life is honest toil and labor should wear a cheerful face.

Some of our tired housewives are off seeking health and rest.

Mrs. Frank Stratton and children are visiting relatives in Prince Edward and will probably attend the Normal commencement in Farmville.

Mrs. Jas. B. Taylor and children are visiting her parents near Bedford Springs.

Mrs. C. Cardwell, who has spent two weeks with her sister, Mrs. Mc Iver, has left for her home near Concord.

Our young people from the schools are beginning to gather in. Their presence will greatly brighten our community.

Prof. Geo. Davidson, of the University, is with his parents at the parsonium.

There is much interest manifested in the unveiling. Your town will, no doubt, have many of our citizens on that day. Our Capt. T. J. Stratton has been absent some days in the interest of the occasion, which means that one energetic, enterprising man, who knows no failure on his part, is enlisted in the cause.

The Hebron Woman's Missionary Society met at Silverwood a few days ago. Had quite an interesting meeting. Money for S. G. and B. B. and other good causes was raised. We regret the loss of Rev. Hugh Smith to the church and association. Hope there will soon be a worthy successor.

We have heard many compliments to the TIMES recently, but not more than it richly deserves.

**Hollywood.**

The refreshing rain we had last week came in a good time, as most of the people had some of their tobacco land fixed.

The farmers' old saying, when a tobacco season comes, is, "Oh, my back," and I guess many of them have remembered it this season.

Some of the people round here are fixing for the unveiling of the monument.

Mr. M. L. Covington has been indisposed for several days.

Mr. James Thornhill has been very ill, but, we are glad to state, is improving a little.

Mrs. Rhoda Davidson is very ill, but we hope she will soon be out again.

Mr. Wm. D. Haga is visiting relatives in Washington.

Mrs. Maud Haga was the guest of Mrs. Allie Shepherd Sunday.

An heir has come to the home of Mr. Winston Ferguson.

Miss Willie Viar is visiting relatives in Roanoke.

Mr. Will Garrett and family were the guests of Mr. Jess: Franklin Sunday.

Miss Fannie Cawthorn is visiting her grandmother, Mrs. Fannie Jenkins.

Mrs. Fannie Bryant and daughter were visiting her mother Sunday.

A home near Gondola has been made sad by two deaths during the last two weeks. Mr. Riley Bagby died at his home on the 20th ult Measles was the cause of his death. He was 56 years old. On the 25th his wife died of the same disease. She was a member of Chestnut Grove Church and was a good, pious, Christian woman. They leave five children to mourn their death, besides relatives.

**Hixburg.**

"How is Hixburg? Did some one put it in his pocket and walk off with it?" This question was recently asked by a stranger, you might know, or else such insinuation would never have been cast on our flourishing burg.

If all plans are carried out, Hixburg will be well represented at the unveiling at West Appomattox, also at the dance on the 11th.

Mr. J. R. Hughes was in Farmville last week, attending a reunion of Confederate soldiers. He came home wearing a cross which was made from a bomb that was fired in the last battle.

Mr. H. M. Marshall, who has been sick for several days, is out and going again.

Mr. W. B. Ford and family spent Saturday night and Sunday with his home people.

Messrs. Billy Gilliam and Lester Sears are at West Appomattox attending the High School Commencement.

Mr. Sears Hix is in Farmville. He says he went down to the commencement, but the writer's candid opinion is; it is simply a continuation of what was begun last winter.

Miss Alice Gilliam is still in Greensboro, and from all accounts we fear her trip will prove fatal. Such has been the luck of so many Virginians in North Carolina.

Miss Cunningham is the guest of Mrs. W. H. Ligon.

A rattlesnake was seen on the farm of Mr. W. D. Hix last Monday morning. This snake story had real life in it, which caused no little excitement.

O. M. Gilliam & Bro., truckers and farmers, are leading the country. "Watch them."

**Spring Mills.**

Our notes for this week will be brief, as our people have been quite busy at home.

We enjoy the newsy letters in the A. and B. TIMES to a great extent, and it is appreciated in every home it enters.

Mr. Massey Nash and Miss Pearl Sears united at Union Hill church May 30 Rev. George Chockolett performed the ceremony. The young couple were welcomed at the home of the groom, at which place a nice supper was given.

Our roads are in nice condition now, having been worked last week by Mr. Coleman.

Misses Ava and Lena Morriss, we are glad to report, are convalescent.

We are also glad to learn that Mrs. Robert Marshall is better, having had a bad attack of rheumatism.

Mr. S. T. Morriss has a Geiser thresh box to sell.

The Spout Spring Local Union No. 2 will meet June 16 at 4 o'clock p. m.

We are sorry to learn of the illness of little Estelle, daughter of Mr. and Mrs. Eddie Dickerson. We hope she will soon be well again.

The Marly Chapel Quarterly Conference will be held Sunday and Monday, June 10 and 11.

**Pamplin City.**

We hope to send a good delegation to the unveiling of the monument to the Confederate soldiers on the

Rev. R. W. Rickman, of North Carolina, a graduate of the Baptist Theological Seminary at Louisville, Ky., has accepted a call from the Baptist Church at this place and expects to arrive with his family in a short time.

The baseball team from Prospect came up week before last and tried their hand with the ball team of this place. The score was 47 to 12 in favor of our team. Smarting under their defeat they invited the Pamplin team down to take a dose of their own physic, but it was of no avail. The score was, Pamplin, 16; Prospect, 2.

Dr. F. H. Lukin was called last Saturday to see a patient at Gladys Station, L. & D. R. R., and is expected back this evening.

Nearly every farmer has planted out his crop of tobacco and has a good stand.

**Stimulation Without Irritation**

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take.

After reading the report of the packing houses, you are almost ashamed to look a corned-beef can in the face.

**Will Cure Consumption.**

A. A. Herren, Finch, Ark., writes: "Foley's Honey and Tar is the best preparation for coughs, colds and lung trouble. I know that it has cured consumption in the first stages." You never heard of any one using Foley's Honey and Tar and not being satisfied.

Wherever the probe is inserted, there graft is found.

Matt Quay would have hailed those Pennsylvania railroad officials as true members of the Brotherhood of Grafters.

Russia's Douma has already done some backing down. Like all reformers, the popular assembly started out by demanding too much.

**ANNOUNCEMENT**

WE beg to announce to the farmers of Appomattox county that we, as successors to S. C. Hurt & Son, will be in the market for all the WHEAT you can furnish us on the new crop.

Mr. N. D. Miller, who was connected with the old concern of S. C. Hurt & Son for 14 years, is associated with us in the new concern, and will be pleased to serve his friends, as well as the old patrons of S. C. Hurt & Son.

We promise you the highest market prices for your Wheat, and prompt remittance for same on receipt. We will furnish sacks free of rent, as usual.

**DO YOU GET UP WITH A LAME BACK?**

**Kidney Trouble Makes You Miserable.**

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; it is discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing sick back, kidney, bladder, uric acid trouble, dropsy, pain in the back, which is the worst form of kidney trouble.
